

IN ROOM DELIVERY

The Made Market Bag Delivery is an innovative food and beverage initiative that is changing how room service is executed. Below are a few key benefits that will arise from the program:

- *Delivery is easy*
- *No more trays or tables brought up to rooms as meals will be thoughtfully packaged in high-quality containers and delivered in high-quality disposable bags*
- *No more pick-ups or "Tray Runs" and corridors always look good - guests simply throw the bag and all containers away*
- *Customers still choose from a variety of freshly-prepared menu items*

MADE MARKET OVERVIEW

Made Market Delivery; Instead of serving food on china and tray, all food (which will be freshly prepared when ordered) will be thoughtfully packaged in high-quality, black-bottom containers and delivered in a disposable Kraft paper bag. When guests are done with their meal, they simply throw the bag (and all containers) away. Simple. Quick. And, no more dirty room service trays in the hallways!

Objective:

Refine delivery of in-room dining with focus on:

- *Ease of disposal*
- *Safety and cleanliness*
- *Speed and appealing packaging/presentation*

The Made Market concept includes a compendium of eco-friendly disposable products sourced by Hilton Supply Management and Hilton Worldwide with order guides that have been established to make the ordering process quick and easy.
